WATER

PETITION INCLUDES 9 LETTERS SENT BY CONSUMERS IN FAVOR OF THE TONTO VILLAGE WATER COMPANY RATE INCREASE.

August 10, 2013

Dear Mr. Olea:

The Tonto Village Water Company has applied to you for an adjustment in rates. I feel that it is important to communicate to you how pleased I have been by the service rendered our community by TVWC's owners and operators, Jeff and Dee Daniels.

I completely support the proposed rate increase. My neighbors and I have seen the Daniels' fixing our village's water lines-- when needed-- in heat, rain and snow, and even past the midnight hour upon occasion. We have had water throughout the winters, even during the bitterest temperatures. They have paid and worked above and beyond the call of duty to keep our water flowing.

It is the least I can do to show my appreciation of their service by letting you know that I support a rate increase. I will gladly pay more for my water because the Daniels' deserve to be paid more for what they do and how well they do it.
